

CARNEVAL

BRAZILIAN CHURRASCO

MENU

WELCOME TO
CARNIVAL

Abuja's premier churrasco restaurant where the spirit of Carnaval meets the essence of grilled meat. As you step into our culinary world, allow us to take you on a journey through the rich history and tradition of churrasco dining.

Originating from the vibrant lands of Brazil, churrasco is a centuries-old grilling tradition deeply embedded in the fabric of Brazilian culture. The word "churrasco" itself refers to the act of grilling meat, and it holds a special place in the hearts of meat enthusiasts around the world.

With a strong emphasis on the quality of ingredients, the art of grilling, and the joy of communal dining, churrasco has become a beloved culinary experience for all.

*At **CARNEVAL**, we have carefully crafted an experience that captures the essence of this extraordinary tradition. Our journey began with a vision to create a restaurant that embraces the spirit of Carnaval, the world renowned Brazilian festival of joy and celebration. Inspired by the festive atmosphere and the vibrancy of Carnaval, we sought to infuse these elements into our restaurant concept.*

*The name "**CARNEVAL**" perfectly encapsulates our philosophy. By merging the words "**Carnaval**", "**Carne**" (which means meat in Portuguese), and "**Val**" (which signifies value), we have created a name that embodies the core of what we offer, a carnival of flavours centred around exceptional grilled meats and unmatched value for our cherished guests.*

We believe that dining is not merely a necessity but a moment to be cherished, an experience to be remembered. From the sizzle of the grill to the mouth-watering aromas that fill the air, our churrasco restaurant presents a sensory journey that will transport you to the heart of Brazil. The mastery of our skilled grill chefs, the selection of premium cuts of meat and the lively ambiance of our restaurant come together to create an unforgettable dining experience.

*Whether you are seeking a memorable dinner with loved ones, hosting a special event or simply looking to indulge in the art of churrasco, **CARNEVAL** is the perfect destination. Immerse yourself in the flavours, culture, and warmth of our restaurant, where every bite is a celebration of culinary expertise and every moment is filled with delight.*

*We invite you to join us at **CARNEVAL** and become a part of our churrasco tradition.*

Come, experience the magic of Carnaval, the succulence of meat and the value of exceptional dining.

Indulge your senses, revel in the festivity and let us transport you to a world of gastronomic wonder.

**Bien-vindo
ao CARNEVAL,**

where meat takes centre stage and the joy of Carnaval comes alive.
